

COMMUNITY IMPACT FUNDS

Addressing needs in our community

Our Community Impact Funds, also known as unrestricted funds, enable the Foundation to respond to a wide range of ever-changing community issues and emerging needs.

COMMUNITY IMPACT FUNDS are a primary source of grants to address the emerging needs in the communities across Northwest Georgia. Our Foundation thoroughly assesses and evaluates nonprofits and programs to determine need and capacity of the program before distributing funds.

HELPING IS EASY.

You can use cash, stock or other assets to make a gift during your lifetime or upon your death. You may qualify for an immediate income or estate tax deduction. Rest assured, your gift will be directed to the most pressing needs in the community of your choice.

“

The Foundation knows our community and will award grants to organizations in the future that we don't even know about today. The Community Foundation will be here long after we are gone - supporting programs that are making a difference in the lives of others.
