

ENDOWMENT FUNDS

Building security for your organization's future

Endowment Funds build a bridge to the future by providing the financial resources required to meet the changing needs of your nonprofit organization in the future.

YOUR ORGANIZATION'S ENDOWMENT FUND

represents your future and the resources to support, enhance, and expand the services you provide to impact and improve our community. Our goal is to help your organization build its Endowment Fund. We currently manage over 65 Endowment Funds for charities across Northwest Georgia.

GETTING STARTED IS EASY.

You can use cash, stock or other assets to establish your fund. As a courtesy, we can setup an easy online donation portal so your contributors can deposit funds (less a processing fee) directly into your Endowment.

“

The Foundation helped us through each step of the way in establishing an Endowment Fund that will ensure our existence and financial viability well into the future. We feel confident that we will be able to serve the vulnerable youth of our community for years to come.

MORE ABOUT ENDOWMENT FUNDS

FLEXIBLE

Add to your fund at any time. The Foundation can accept gifts of many types of assets, including stock and real property.

You can design your Endowment Fund to distribute a set amount of funds either based on a percentage of the endowment or other factors. Your Endowment Fund can be designed to distribute funds perpetually or over a specified period of time.

EFFICIENT

We handle the administrative tasks of philanthropy—from keeping track of your gifts and grants to sending you quarterly statements of activity—all for a nominal administrative fee. We notify your organization of all gifts made to your Endowment Fund.

ASSISTANCE

Our Foundation is glad to make presentations to your board of directors, staff, or donors on a variety of endowment-related topics including planned and current gifting vehicles.

CONSIDER AN ENDOWMENT FUND IF YOU:

- Are shaping a strategy to set aside funds for the future, for financial sustainability.
- Want to send a signal to the community and donors that your organization is thinking long-term and building assets for its own future sustainability.
- Want to enhance the stability of your organization.
- Want to build a pipeline for large gifts.
